ABOUT DAYANANDA SAGAR UNIVERSITY

Dayananda Sagar Institutions was founded in the 1960s by a visionary, late Shri Dayananda Sagar, who was committed to taking knowledge to the people, and transforming students into responsible citizens and professional leaders of tomorrow. Dayananda Sagar University, created by an Act of the State of Karnataka in 2014, built on this adorable legacy and inspired by its own milestones, is meeting the needs of quality higher education in this part of the world.

ABOUT ICTAHS 2025

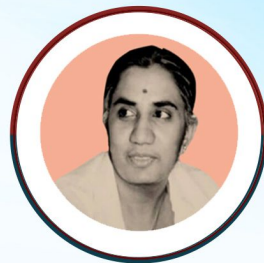

The conference aims to bring together researchers, practitioners, industry professionals, doctoral scholars, students and faculty across all the disciplines of Health Sciences on a common platform to learn and understand the technological updates in Health Sciences.

The conference serves not only as a vibrant platform for knowledge-sharing, but also as a catalyst for innovation, collaboration and progress. Renowned scientists and experts from across the globe will participate in the conference, making the discussions enriching, connections meaningful, and experiences both inspiring and impactful.
